

Bitesize

Have you taken your GCSE, National 5 or Higher exams in the past two years?

Whatever grades you got, did you manage to achieve your full potential ?
If so, do you think you would make a good mentor and be able advise next year's students through their GCSEs?

Do you think you would be good on Radio or TV answering live questions from students ?

If so, we want to hear from you. If you have some sound advice and the ability to get it across, get in touch!

How to get involved

1. Email us at campaigns.development@bbc.co.uk
2. Tell us when you took your GCSEs and what grades you achieved.
3. Tell us what would be your best piece of advice to pass on to students taking their GCSEs.
4. **Please include your parent/guardian's email address and phone number.**

If you are under 18 years old, make sure you have permission from your parent/guardian before sending us any personal details. Please note, all contact details must be for a parent/guardian aged 18 years or over.
