What is a student rep?

A course rep is a nominated student who listens to feedback from the students in their class, and shares this with the College, so they can make improvements to learning and teaching.

This is an exciting role that allows you to represent the views of your peers, and help to shape your education! Your feedback helps the College improve and offer the best possible

Student rep benefits:

→ Gain skills for your CV to make you stand out from the crowd

→ Exclusive invitation to annual celebration event for student reps only – with freebies, prize giveaways, free food, fun activities, and loads more!

→ Get to have your say in how your course is run

→ Meet all your course mates and make new friends

→ Free training on how to be a course rep and key skills you need to succeed

→ Make a change and leave your mark on the College

→ And many more!

Student rep responsibilities:

→ Attend a training session at the beginning of the year to give you the skills you need

→ Talk to the students on your course to find out any academic issues they are having

→ Share student issues at course meetings

→ Attend course rep meetings once a term

→ Feedback information to your class, e.g. if changes have been made as a result of their comments

→ Keep in contact with the Senior Student Involvement Officer.
